On the wedding day itself, she becomes the *discreet conductor of your event*: present wherever she is needed, visible only when necessary, so you can focus on what truly matters – *living every moment to the fullest*.

*“Our absolute dream wedding – all thanks to our amazing wedding planner Solène. We have chose her due to her authentic and detail loving character and appearance. She is absolutley rockin it!*

*We're a German couple from Stuttgart and had the absolute pleasure of celebrating our dream wedding weekend in France – complete with surfer vibes, teepees, barbecue and a laid-back tropical boho pool atmosphere, all set at a stunning château surrounded by nature.*

*From the very first call, our Solène guided us with so much heart, creativity, and professionalism. She didn't just meet our expectations – she brought them to life in a way we couldn't have imagined. We brought up from here to then our ideas and she evolved them to something beyond our imaginations. All of our guests were able to stay on-site, which turned the wedding into a magical weekend getaway – relaxed, full of joy, and so personal and deeply emotional. When i remember back, i still feel like to break into tears of pure joy.*

*Every detail was taken care of: the venue, the decor, the timeline, communications, the coordination with providers – everything was seamless and allowed us to truly enjoy every moment.*

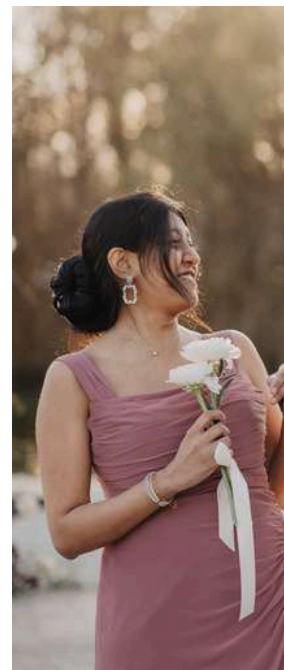

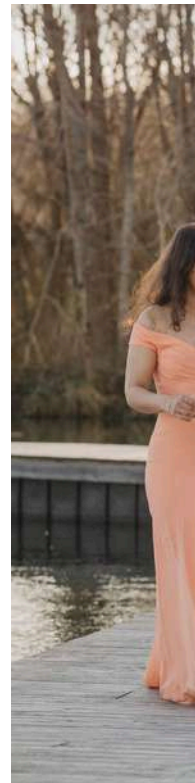

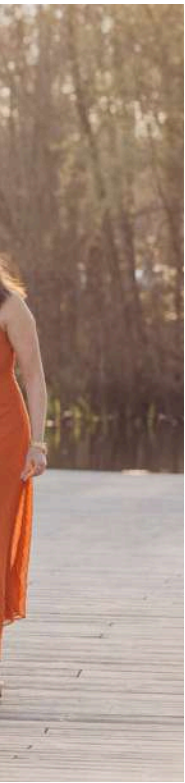

*We're beyond grateful and would do it all over again in a heartbeat.*

*100% recommend to any couple looking for a unique, heartfelt, and perfectly organized wedding experience!*

*She even took it more far, she took english lessons for us since she held the secular wedding ceremony in english. She is amazing and absolutely lovely, did the best job we could imagine. She put so much effort in the speech it really touched our heart and the ones from our guests. Every Guest greatly enjoyed the weekend and this wedding will remembered from us a core memory out of this world!!.*

*Merci pour tout! ”*

## FAQ

*To answer the first questions you may have.*

## I. HOW DOES THE PROCESS WORK WITH INSTANT D'EXCEPTION ?

We begin with an initial conversation to understand your story, your wishes, your budget and the kind of experience you want to offer your guests. From there, we suggest a tailored service (full planning, wedding day coordination, symbolic ceremony, destination wedding, etc.) along with an estimated budget range.

Then we move forward step by step: venue search, vendor selection, building the overall flow of the day, working on the atmosphere and details, and finally coordinating the wedding day itself. You remain at the heart of every decision, while we orchestrate the rest with structure and discretion.

## 2. HOW DOES THE FIRST MEETING WORK ?

We start with a discovery call, online or in person, free of charge and with no obligation. You tell us about your wedding plans, your wishes and your budget; we present our way of working and suggest a tailored level of support.

## 3. WHEN SHOULD WE CONTACT YOU TO PLAN OUR WEDDING ?

As early as possible, especially if you are considering a popular date (summer, long weekends, sought-after destinations). On average, couples reach out to us between 12 and 18 months before the wedding day.

That said, depending on the time of year and the complexity of your project, we can sometimes come on board later. Don't hesitate to get in touch, even if your wedding is approaching.

## 4. HOW DO WE BOOK YOUR SERVICES ?

Once you are happy with the proposal, signing the contract and paying a deposit will secure your date in our calendar. From there, the adventure truly begins by your side !
